**To achieve the best result, we recommend using Knit Pro needles, which is the professional tool for knitting and crochet.**

It is a good idea to read through the pattern before starting the work, and we also recommend making a swatch and wet blocking it.

**The body** is knitted in Sky Light double yarn, 1 thread of color 61 and 1 thread of color 66.

**The Sleeves** are knitted in striped with New Sky colors 61,62,63,66,68.

After the ribbing edge on the sleeves knit stripes like so:

1½ cm color 61.

1½ cm color 68.

2½ cm color 61.

1½ cm color 66.

3½ cm color 62.

1½ cm color 66.

1 cm color 63.

1½ cm color 68.

1 cm color 63.

1½ cm color 62.

1½ cm color 66.

After this, the stripes start over. Applies to all sizes.

The measurement on the stripes are approx. cm, since all colors for the stripes should add up with an even number of rows.
